Tone 100Hz

RELEVANT PHONE APPLICATIONS

- MyShake
- QuakeAlertUSA
- NVS Tsunami Evacuation

Phone, internet service and getting accurate information can be challenging during an emergency on the Oregon Coast.

IF YOU HAVE A PHONE

- ◆ Sign up and receive Emergency Alerts such as for traffic or natural events like earthquakes, tsunamis or wildfires.
- ◆ Call and/or send texts: Emergency Services, Utility Providers, Neighbors.
- ◆ Check trusted internet sites (listed on back).
- ◆ Download the PDF version of this brochure onto your phone from this link: southtillamookcountyevc.org/communications-2/

IF YOU DON'T HAVE POWER

Use a battery powered device such as:

- AM/FM Radio
- NOAA Weather Radio
- GMRS Community Radio
- Ham Radio
